Final size - 34-1/2-inches square

Apply Sashing 1 to the center fussy cut square sewing the shorter ones first on opposite sides, then adding the longer ones.

Make half square triangles by pairing 5-inch scrap squares with background squares, right sides together. Mark lines on the diagonal 1/4-inch away from center, then sew on the lines and cut apart.

Arrange HSTs, corner patches and center square with sashing into rows. Sew in rows.

Apply Sashing 2 to the edges, shorter strips first on opposite sides, then longer strips.

Sew two sets of 6 scrappy border patches in rows. Apply to opposite sides of quilt.

Sew remaining scrappy border patches into 2 rows of 8 patches each. Apply to remaining borders of quilt.

Apply Sashing 3 to the edges, shorter strips first on opposite sides, then longer strips.

Add final border.

Quilt as desired, bind as usual.
